

Paddling in the
Blackstone River Valley National Heritage Corridor

Lackey Pond and the Mumford River

42 Lackey Dam Road, Sutton, MA

GPS Coordinates: N42 06.184 W071 41.39430

You can enjoy a very pleasant paddle on Lackey Pond and the Mumford River. Be careful of the dam while launching. Launch and paddle away from the dam. Paddle through Lackey Pond until you find the channel (on the left) for the Mumford River. You can follow the Mumford River up past Route 146 until it becomes impassable. You can spend a couple of hours exploring and enjoying the wildlife.

Suitable for all skill levels: YES

Parking: 10 cars near ramp; additional 8 near road, not ADA

Access: concrete boat ramp; wide and spacious; not handicap accessible.

Portage: None

Restrooms: None
